## About

A tenacious Licensed Private Investigator with 25 years of policing experience. Experienced in all types of criminal matters and utilizes Major Case Management practices to successfully investigate and build a case and evidence suitable for court scrutiny.

Key skills include: exceptional communication, listening, and attention to detail, witness management, critical thinking, evidence handling, project development, and file management. Ability to connect and build relationships has proven critical in broadening investigative pathways.

Experienced in court preparation and presentation. Recognized as a multi-faceted police expert, with a reputation for being objective and results-oriented. Professional career has been driven by compassion and caring for victims and communities impacted by crime.

## Police Career Roles

### Office of The Regimental Sergeant Major

- Managed Court Monitoring Program requiring a sensitive approach as a resource to CPS members charged with criminal offences.
- Held CPS members accountable for court attendance, dress, and deportment.

### Office of The Chief

- Handled sensitive information at the highest levels of the CPS
- Used outstanding communication and team-building skills to propel organizational projects and objectives.
- Served as liaison between the Deputy Chief of the Bureau of Resource Management and the entirety of the CPS.

### Organized Crime Section

- Led a team of 12 Detectives investigating gang-related crimes.
- Served as the public face of the CPS Organized Crime Section for all media availabilities.
- Presented at dozens of community, organization, national, and international gang crime symposiums.
- Qualified and recognized as a CPS Gang Expert at the Immigration, Provincial, and Queen's Bench court levels.
- Developed the CPS criteria for gang member and associate designations.
- Trained and operated in Undercover and Advanced Surveillance techniques.
